Chávez is one of Madison's largest and best elementary schools. Located on the southwest side of Madison, Chávez serves over 650 students in grades 4K through fifth, some of which participate in a Dual Language Immersion Program. The school community supports and values the top-notch public education Chávez provides to its scholars. School staff are at the center of the mission to give all scholars the start they need in education to one day graduate college, career and community ready. Staff work to make sure they are supporting all scholars as they teach to the high Standards set forth in the Common Core. By coming together to work together and plan high quality lessons, staff ensure they are setting scholars up for success. Staff also partner with parents through parent affinity meetings, leadership meetings and family empowerment events.

Equity Vision

Chávez: Building Strong Alliances and Thriving Scholars

Strengths

Chávez's strengths lie in the passion and energy of its staff and community. Staff work to engage students in meaningful learning while feeling fully supported and appreciated by the caring community that surrounds them.

Progress

Staff continued to strengthen literacy lesson plans and continued to use the Bridges Math program with fidelity. We also rolled out whole school programming for appreciating diversity of the scholars we represent. As a staff, we worked on Race and Equity work to improve outcomes for all scholars, but specifically for those in our focus groups. We formed parent affinity groups to increase trust and collaboration between home and school.

Area for Growth

By bringing data to the table, our staff will continue to refine literacy practices to be sure that lessons are designed with our scholars in mind. Scaffolds and supports will be added to already robust lessons to make sure there is equitable access for all to high quality, core instruction. Staff will also continue to work to engage families in helping drive decision-making to improve school outcomes and close achievement gaps.

Vision Connection

Our school supports MMSD's vision that all students acquire the skills and abilities needed to be successful, including a mastery of content areas, growth mindset, self-knowledge, creativity, wellness, interpersonal skills, confidence, cultural competence, and community connection. Through these skills and abilities, our students will graduate college, career, and community ready.
